

Get Published in **ElectronicLifestyles**® Magazine!

Distributed to Design and Build Professionals in the U.S. and Canada

Free Publicity Opportunity for CEDIA Members

Have you recently completed a project that demonstrates collaboration between your company and an architect, builder, and/or interior designer? If so, your project could be a fit for the next issue of CEDIA's *Electronic Lifestyles*® magazine. CEDIA is looking for projects to feature in *Electronic Lifestyles*®.

Submission Deadlines:

NEW! Spring 2012 (Distributed June 2012).....**February 17, 2012**

Fall 2012 (Distributed at CEDIA EXPO)..... **April 6, 2012**

Winter 2013 (Distributed December 2012)..... **Dedicated to
Electronic Lifestyles®
Awards Coverage**

✓ Submission Checklist

Required:

- Photos of finished project (professional quality; 8" x 10" or larger at 300 dpi)
- Full equipment list
- Project location (city, state/province, country)
- List of any architects, builders, interior designers, or other key partners (company name, location, phone, and email)
- Short essay including project location, whether project was new construction or retrofit, and what makes the project unique

Optional:

- In-progress or before-and-after photos
- Schematics/CADD drawings

Submit Your Projects Now!

Email all materials except photos to Holly Keller at hkeller@cedia.org. Photos can be submitted via FTP (email hkeller@cedia.org for login details) or on CD/DVD mailed to CEDIA Electronic Lifestyles® Magazine, 7150 Winton Drive, Suite 300, Indianapolis, IN 46268.

Questions? Contact Holly Keller at 317.328.4336 or hkeller@cedia.org.

About **ElectronicLifestyles**

Electronic Lifestyles® includes in-depth features on home technology projects completed by CEDIA member electronic systems contractors. The magazine inspires architects, interior designers, and builders to embrace the integration of technology in the home.

The magazine is distributed to more than 25,000 design and build professionals in the U.S. and Canada as well as hundreds of industry tradeshow attendees year-round. An electronic version and a free mobile app are also available.
