

Inventory Exchange | Manufacturer Instructions

Below is the Introductory page to the Inventory Exchange. Once logged in you will be able to 'assign another employee', 'add a brand', 'view/edit brands and restrict access', 'add a company list', 'view/edit company lists', 'view these products', and view the terms & conditions.

CEDIA Inventory Exchange

Authorized Representative You are logged in as **Test Manufacturer** | [Logout?](#)
[Inventory Exchange Home](#)

You are the authorized representative for your company. All communication regarding your items will be emailed to the email address on file for the authorized representative.

Since you are the main representative for your company, you may [assign another employee](#) as the authorized representative.

Brands

Your company has **7 brands** in the database currently authorized to be sold by CEDIA ESC Members. Click the links below to add brands, edit brands and specify which companies are permitted to sell your restricted brands.

[Add a brand](#) | [View / edit brands and restricted access](#)

Company Lists

You may set up lists to specify companies that are allowed or denied to sell your restricted brands. Company lists may be assigned to multiple brands.

[Add a company list](#) | [View / edit company lists](#)

Products

There are **11 products** of your brands in the database currently posted by a CEDIA ESC Member for sale. Click the link below to view the postings.

[View these products](#)

Terms and Conditions

[Read the Terms and Conditions](#)

Below is the 'assign authorized representative' page. To change the authorized representative select their name from the drop-down list and click submit to complete the process. By default only the main representative from your company will be able to log into the Inventory Exchange. You may assign someone else as your authorized representative. The main representative may log in at anytime and revoke the authorized representative's access.

CEDIA Inventory Exchange

Assign Authorized Representative

You are logged in as **Test Manufacturer** | [Logout?](#)
[Inventory Exchange Home](#)

Select the employee you would like to assign as the authorized representative.

Only the authorized representative can access this system. After assigning an authorized representative, you will not be able to access this system again unless you first revoke their access.

Authorized Representative:

Below is the 'add a brand' page. Enter your brands name in the 'Brand Name' field. Also, select if your entry is a restricted brand by click on the checkbox. Once this is filled in click on the submit button to complete the process.

CEDIA Inventory Exchange

Add a Brand

You are logged in as **Test Manufacturer** | [Logout?](#)
[Inventory Exchange Home](#)

Enter the new brand name below. If this is a restricted brand, check the box.

Brand Name:

This is an restricted Brand – you will be able to select the companies that are permitted to advertise the brand.

Below is the 'set access to restricted brand' page. This page appears when you add a brand that is restricted. You may either have a list of companies that are denied from listing products of this brand or a list of companies that are allowed. Alternately, you may select a predefined company list. If you set a denied or allowed list for this brand, the companies will appear at the bottom of the page.

CEDIA Inventory Exchange

Set Access to Restricted Brand You are logged in as **Test Manufacturer** | [Logout?](#)
[Inventory Exchange Home](#)

This tool allows you to set which companies may advertise your restricted brand: **ABC**.

You are currently using the **Denied List** option for this brand. This means *all companies* will be able to list products of this brand – except for those you deny access.

You may choose to switch to *Allowed List*. This means *no company* can list products for this brand – except for those you grant access.

Switch to Allowed List – NOTE: This will remove any restricted access you have set up already.

Company Lists

You may select to use one of your pre-defined company lists below.

[Manage your company lists](#) – add or remove companies from these lists.

Authorized Dealers for Speaker Lines
 TestName

Companies

There are currently no companies on your Denied List for this brand. [Add companies](#)

CEDIA Inventory Exchange
