

Inventory Exchange | ESC Instructions

Below is the Introductory page to the Inventory Exchange. Once logged in your will be able to 'assign another employee', 'add a product', 'view/edit products', 'search inventory exchange database', and view the terms & conditions.

CEDIA Inventory Exchange

Authorized Representative

You are logged in as **Test ESC** | [Logout?](#)
[Inventory Exchange Home](#)

You are the authorized representative for your company. All communication regarding your items will be emailed to the email address on file for the authorized representative.

Since you are the main representative for your company, you may [assign another employee](#) as the authorized representative.

My Listed Products

Your company has **9 products** in the database currently advertised for sale. Click below to manage these products.

[Add a Product](#) | [View / Edit Products](#)

Search Products

Search other companies' product listings in the database.

[Search Inventory Exchange Database](#)

Terms and Conditions

[Read the Terms and Conditions](#)

Below is the 'assign authorized representative' page. To change the authorized representative select their name from the drop-down list and click submit to complete the process. By default only the main representative from your company will be able to log into the Inventory Exchange. You may assign someone else as your authorized representative. The main representative may log in at anytime and revoke the authorized representative's access.

CEDIA Inventory Exchange

Assign Authorized Representative

You are logged in as **Test ESC** | [Logout?](#)
[Inventory Exchange Home](#)

Select the employee you would like to assign as the authorized representative.

Only the authorized representative can access this system. After assigning an authorized representative, you will not be able to access this system again unless you first revoke their access.

Authorized Representative:

Below is the 'View / Edit Products' page. From this page you can edit a previously entered product's description as well as upload an image. You may also view a list of products that are pending manufacturer's approval or a list of archived products at the bottom of the page.
