CUSTOM  
ELECTRONIC  
DESIGN &  
INSTALLATION  
ASSOCIATION

**CEDIA is  
a global  
association  
of companies.**

**The Custom Electronic Design and Installation Association (CEDIA) is the professional trade association representing the residential custom installation industry. CEDIA is a global association of companies that specialize in planning and installing high quality electronic systems for the home. These systems include home networking, home automation and communication systems, media rooms, home theater systems, single or multi-room entertainment systems, and integrated whole-house sub-systems providing control of lighting, security and HVAC systems.**

---

# Professional Conduct & Ethics

## Each member of CEDIA shall agree to adhere to the following:

1. Provide to all persons truthful and accurate information with respect to the professional performance of duties.
2. Maintain the highest standards of personal conduct to bring credit to the custom electronic and design industry.
3. Promote and encourage the highest level of ethics within the profession.
4. Recognize and discharge by responsibility, to uphold all laws and regulations relating to CEDIA policies and activities.
5. Strive for excellence in all aspects of the industry.
6. Use only legal and ethical means in all industry activities.
7. Protect the public against fraud and unfair practices and attempt to eliminate from CEDIA all practices which bring discredit to the profession.
8. Use written contracts clearly stating all charges, services, products and other essential information.
9. Demonstrate respect for every professional within the industry by clearly stating and consistently performing at or above the standards acceptable to the industry.
10. Make a commitment to increase professional growth and knowledge by attending educational programs recommended, but not limited to, those prescribed by CEDIA.
11. Contribute knowledge to professional meetings and journals to raise the consciousness of the industry.
12. Maintain the highest standards of safety and any other responsibilities.
13. When providing services or products, maintain in full force adequate or appropriate insurance.
14. Cooperate with professional colleagues, suppliers and employees to provide the highest quality service.
15. Extend these same professional commitments to all those persons supervised or employed.
16. Subscribe to CEDIA's Principles of Conduct and Ethics and abide by the CEDIA Bylaws.
